

Cocklebury Farmhouse Homes Newsletter : December 2021

Christmas Meal

This year, through thorough risk assessments and consultation with Local authorities, we were able to organize a Christmas/Party for the residents.

A fully vaccinated Santa was also able to swing by the party to drop off gifts for all the residents.

Each Home had a Pass the parcel

We then enjoyed a boogie on the dance floor with Live Music from Phil Charles

Recent Activities

As part of our charity program, we have organized a Children in Need Fancy Dress Walk at Corsham Court.

This was a rugby training session on Chippenham RFC's new 4g pitch with Ex-1st team players.

We recently booked up the entire Café India restaurant to allow residents to enjoy a curry night

Covid Update

We are pleased to confirm that none of our residents have caught Covid19. All Staff and residents have received their 3rd Booster shot and continue to be tested regularly.

We will be carrying out visits and audio/video calls with friends and family throughout the Christmas period. If you would like to keep in touch, please contact the home and speak with our management team on: 01249 658670.

Up Coming Events
