

Cocklebury Farmhouse Homes Newsletter : November 2020

COVID19 UPDATE

The team at Cocklebury Farmhouse Homes wanted to keep friends and family members aware of how we are adapting to these uncertain times. Be assured we are not letting the pandemic stop us from organising an array of exciting activities to entertain the residents.

Safety is always paramount but with heightened hygiene protocols we have continued to provide multiple opportunities for residents to exercise and access the community every day!

The care team and residents are tested regularly for COVID19 and to date we have not had a single positive result.

HOLIDAYS

Risk Assessments and consultations with Public Health England have allowed us to safely organise summer holidays for every resident.

You can see some of our residents enjoying their time away in the company's Porthcawl holiday home in & Wales.

And relaxing at the bar/beach in Cornwall.

PARTIES

Along with our weekly pub nights, once a month we have organised parties with fancy dress and themed entertainment within each home. These have included:

- Hawaiian Night
- Elvis Party
- 70s disco
- Halloween Party
- 'Glastonbury' Festival
- Karaoke Night

The residents' favourite entertainer "Phil Charles" has also been able to record several video concerts to get the party in full swing.

We hope to be able to invite you all back to party with the residents as soon as it is safe again to do so.

Up Coming Events

- ❖ Pub Night at the Races. The residents will be sporting their best country attire as we bring Royal Ascot to Cocklebury Farmhouse Homes.
- ❖ Christmas Party with Video Music Concert from Santa himself!
